Moral Vision

Freedom

Was NOT

**A license to obey
one's selfish desires**

**At the
Heart's
Core...**

**What is freedom
for?**

**What is its
ultimate purpose?**

Different than...

“The right to pursue one’s own selfish interests, unencumbered by human conscience and in a way that is disconnected from the virtues of love, compassion, and solidarity.”

**St. Paul to
the
Galatians:**

“Brothers and sisters,

for freedom,

Christ set us free.”

Ultimate
Expression
of
Freedom

**Serving another
through love!**

**What
would
they
say?**

Our Founders?

St. Paul?

Jesus?
