

What is the
Nature of
Worship?

...The Tenth
Leper Turning
Back

The
“Region Between”

Geographical - No

Theological - Yes

**What God inaugurates
through Jesus is made
manifest in this
“Region Between.”**

**God acts in and through
the ordinary.**

**Amid the ordinary,
something has changed.**

One thing is clear:

**There is more at stake here
than mere healing.**

“Your faith has made you well.”

All the lepers were healed...

Only One

Saw

Noticed

Let what happen sink in

Because the Leper sees what has happened.

**The leper recognizes Jesus,
His reign and His power.**

**And gives thanks praising God
with a loud voice!**

**Worship
is not simply hearing God's story.**

**Worship helps us see God at work
in our lives and the lives of others.**

All Ten Are Made Well

Only one has something more.

He has seen Jesus, recognized his blessing and rejoiced in it and changed his course of action and behavior.
