Jesus Encourages!

Wrestle with the Word

**Remember your baptism again
and again**

Come regularly to God's Table

**Persistence in our every
encounter with the divine will be
blessed**

**When abundance showed up,
first in manufactured goods,
then in information,
it all seemed like a simple win.**

More of what we want, thanks.

**But of course,
more of too many things...
is too much.**

**We are leaving the age of
information and entering the age of
choice.**

**Not just choosing what we'll
consume, but who we will become.**

**With whom will we connect with,
lead, trust, honor, dignify, isolate or
believe?**

**And how will we choose to
walk through the world
and what will we leave
behind...**
