# **Three Groups Gathered Around Jesus**

**A Crowd**

**Disciples**

**Apostles**

# The Crowd

**They wanted to hear what Jesus had to say,  
but their purpose was very pragmatic.  
They wanted Jesus to heal them.**

# Disciples

**They wanted to hear what Jesus had to say,  
and they also wanted to learn from him.**

# **Apostles**

**Hand selected by Jesus to continue to do the work, he began during his earthly ministry.**

**Each group, listening with different purposes and levels of engagement.**

**Do you want to be a part of the crowd to get what you want and need at any given time and place without a real commitment to allowing the Word of God to change every aspect of your life?**

**Is your goal to be a disciple?  
Are you willing to continually examine  
your thoughts and actions?**

**You want to apply Jesus' teaching in  
your own life,  
and you want to perform some of the  
same ministry functions that Jesus  
performed.**

# **Community at Large**

**I really love that church.**

**They are really \_\_\_\_\_**

others say about our congregation?**

**What does God want to hear  
members say about our  
congregation?**
