

**Jesus' 'Cross' = Release and Freedom**

**Departure  
means  
"Exodus"**

# **Freedom**

**God desires that we live in freedom**

**Will do anything including death on a  
cross to communicate God's love**

# **“Teach Me”**

**The difference between successful students and the rest is two words:**

# **Our Future**

**Is created by the people around us,  
the stories we tell and the fears we  
embrace**

# **Keep the Mission Central**

**Talk about your mission CONSTANTLY**

**Know and live into your priorities**

**Create a rhythm of reflection and course correction**

**Just because a plan works now does not  
mean it will work in the future**

**Just because a plan doesn't work now  
does not mean it won't work in the  
future**

**Practice an awareness of the presence of God**

**Review the day with gratitude**

**Pay attention to your emotions and thoughts**

**Choose one feature of the day - focus prayer on it**

**Look forward to tomorrow with hope**

**What is working well?**

**What is not working?**

**What am I learning?**

**What needs to change?**

**What are the next steps moving forward?**
