

Jesus – Tough on the Disciples?

Give away your possessions.

Forgive those who wrong you.

Take up His Cross.

How Might You Feel?

Inadequate?

Unprepared for the challenges?

“No Way” can I do that!

Is it a wonder?

I need more

FAITH

**Jesus Doesn't Give
Them MORE Faith**

Jesus reveals

They already have Faith

Faith

**Isn't often what we hear and
ultimately incorrectly believe.**

**It's most often simply and humbly
doing what needs to be done just
because it needs to be done**

Jesus Names as Faithful

A woman's confidence that if she only touches Him she will be healed.

A centurion's concern for a sick servant.

A woman's gratitude at being forgiven.

Also:

**A Samaritan leper who returns to
thank him for healing him.**

**The plea of a blind beggar
for sight.**

Jesus challenges the Disciples – and Us

**Has them listen and imagine
the hard work of the servant
doing what needs to be done.**

Faith is NOT just Mighty Acts of Heaven

**It is the ordinary acts of doing what needs
to be done.**

**Seeing the needs of others and doing
something about those needs.**

Caring for all people.
