

**One's spiritual health is exactly
proportionate to one's love for God.**

C. S. Lewis

**Human beings must be known to be
loved, but God must be loved to be

Blaise Pascal

Psalms 18:1

I want to be "more spiritual".

What exactly do they mean?

Do they want to be changed within?

...Transformed from the inside out?

I hope and pray they want to love God?

**Christianity is not a religion,
system of rituals and beliefs, but
a relationship - a relationship of
love with Jesus Christ who is
risen from the dead.**

Jesus warned in Matthew 24:12

A day will come when the love of many will go cold. In Revelation 2, “I know you’re works, your toil and your patient endurance... but I have this against you, that you have abandoned the love you had at first”.

How Do We Love God?

Learn to view God as God truly is.

What do I want God to be like?

Instead of:

What is God really like?
