

O Come Let Us Adore Him

# Worship

To adore Jesus  
To love and respect deeply

# True Love with Jesus

Just like in all relationships  
'true love' happens when we  
come to know each other  
more intimately.

# The Christmas Message

True love shows up  
when Jesus shows up.

God saw:

How dark and difficult our days could be.  
How confused we get about our identity.  
How many painful things we do to each  
other out of that confusion and insecurity.

God decided to do something  
after sending the law and the  
prophets.

God got involved  
personally and intimately  
with God's creation.

God didn't come to  
punish, frighten, scold,  
or threaten.

God came to tell us  
that we are loved  
deeply and forever.

Message delivered  
surprisingly to those of  
particularly no importance  
or for that matter, loved.

God's message of love  
was for all!

God's love is for all:

Especially for those who don't  
feel loved or lovable.

For those who feel forgotten.

For those who wonder what the  
point of life really is.

Did you catch it?

Jesus is born for you.

Not just 'good news' but  
'good news of great joy for  
you and all people.'

We sometimes come  
not expecting God's attention.

We leave assured  
of God's love and presence.

We go and share it with others.

Can God surprise you  
once more?

In the birth of Jesus  
we are reborn  
as children of God.
